- ★ James Robert “Jim” Swan, Instrument Mechanic, Facilities Team Midwest, Department of the Navy, Great Lakes
- ★ Lawrence E. “Larry” Swaton, Planner and Estimator (Electrical), Facilities Team Midwest, Department of the Navy, Great Lakes
- ★ Mario C. Torres, Welder, Facilities Team Midwest, Department of the Navy, Great Lakes

Outstanding Trades And Crafts Employee: Lawrence E. “Larry” Swaton

Larry Swaton’s efforts and accomplishments on construction, maintenance and repair of the Great Lakes electrical infrastructure, his planning of and specifications for the new Life-Long Learning Center and his expertise in leading the WIN-EST initiative, together with his willingness to help his peers, have made him the “go to guy.” Throughout his 25-year career with the Facilities Team Midwest, he has been a showcase of dedication and a valuable asset to the Navy Department.
